

Utility Collections & Damage Claims

Weltman has excelled at recovering outstanding debt for utility providers for more than 85 years. Our dedicated team of attorneys, account resolution specialists, and highly trained support staff has the necessary experience and skill to resolve claims expeditiously and effectively. We handle every type of utility collection claim, including recovery on unpaid commercial and residential accounts, reimbursement for property damage claims resulting from excavation and motor vehicle accidents, bad checks, equipment replevins, and theft of service. We utilize our in-house agency and leverage our innovative technology to deliver on our commitment to optimize recovery for our clients while protecting their brand image.

Our Solutions Include:

- ▶ Demand Letter Campaigns
- ▶ Consumer & Commercial Call Programs
- ▶ Skip Tracing & Asset Searches
- ▶ Receivership Management
- ▶ Driver's License Revocation
- ▶ Liability & Damage Documentation Training
- ▶ Litigation & Defense
- ▶ Bankruptcy Services
- ▶ Probate Recovery

Weltman Can Help Your Organization:

- ▶ Pursue third parties who negligently or recklessly damage facilities
- ▶ Manage multiple types of claims from a single point of contact
- ▶ Ensure compliance with federal and state laws and regulations

Why Choose Weltman?

Range

We offer upfront collections, litigation, and everything in between.
